AMSTRAD
4 ADVENTURES 4

THE CHOSEN FOUR

Save a fortune on these four full-length adventures. Enjoy them, they are excellent examples of the adventure-writer's art.

Guy Bridge

RING OF DARKNESS

Definitely, the most vicious, nasty and superb looking dungeons and dragons your Amstrad has ever displayed. Over 10,000 graphic locations will test your skill and cunning as never before – travel at your peril!

THE MURAL

You'll need a good sense of humour or this will drive you up the wall! This comic strip adventure involves finding the right wall – get the message? You might if you're clever.

GALAXIAS

A brand new game from the Master, Fergus McNeil who brought you BORED OF THE RINGS and ROBIN OF SHERLOCK. In this game he steps out into unknown space to bring you his most fascinating adventure yet.

MICROMAN

A fantastic voyage where life itself is a nightmare. Experience the frustration of needing a superhuman effort to do the simplest of things.

Full playing instructions on reverse of inlay.
